

Taking Ride Before Dinner, Man and Wife Are Killed.
Mr. and Mrs. Frederick C. Force were instantly killed last evening at Waterloo Crossing, Netcong, N. J., when their auto was struck by a Lackawanna train. The machine was smashed into bits. Mr. Force was an engineer at the Weston steel plant, and he and his wife were taking a spin before dinner.

It's Your Fault If Your Feet Aren't Fit For Duty

BECAUSE you have been wearing pointed, bone-bending shoes that cause corns, bunions, callouses, flat feet, ingrown nails.

The Nation needs your best work. To do your best work, you need sound, dependable feet.

Get rid of absurd "fashionable" footgear now. Put on Educators instead. Educators are healthful, comfortable, sensible. Because specialists designed them to "let the feet grow as they should." Educators are

THREE SQUADRONS OF UHLANS WIPED OUT BY UKRAINIANS

Peasants Armed With Machine Guns and Mine Throwers Defeat Poles.

AMSTERDAM, April 24.—Three squadrons of the 5th Polish Regiment of Uhlans have been annihilated in Poland by Ukrainian peasants who refused the soldiers' demands for food supplies, according to a Polish press agency dispatch received by the Dutch press by way of Vienna. The peasants were armed with machine guns and mine throwers.

A deputation from the Crimea has arrived at Kiev to urge on the Ukrainian Rada the incorporation of the Crimea in the Ukraine, according to a dispatch from Kiev by the Lokal-Anzeiger of Berlin by way of Vienna. The Government of Minsk and the District of Homel also have sent deputations requesting union with the Ukraine.

"Past Has Been Terrible," First Message From Finland.
STOCKHOLM, April 24.—With the re-establishment of telegraphic communication between Helsinki and Stockholm after a fortnight's suspension, American Consul Haynes at Helsinki has sent the following message to the American Legation here:

"The past has been terrible. The present is bearable. The future is uncertain."

American Minister Morris has been informed by Finnish Minister Gripenberg that the Finnish Minister in Berlin reports that negotiations for the release of American and British citizens made prisoner on the Aland Islands some weeks ago are proceeding satisfactorily. Prof. Henry Crosby Sherry, the American involved, has been released from imprisonment at Danzig and will shortly be permitted to leave Germany.

CITY IS SPEEDING UP FOR STRONG FINISH IN THIRD LOAN RACE

(Continued from First Page)

part of our well known dark horse and that when the last day of the drive is finished there'll be more than a billion and a quarter put to the credit of New York.

The minimum, remember, is \$600,000; but we shall not stop at that. When the clerks at the Bond Department of the Second Federal Reserve Bank went over their tallies today they found that already there have been more than 2,000,000 subscribers to bonds in this district, which is a greater number than the entire Second Liberty Loan called out. Before ten days have passed another 2,000,000 will be added to the honor roll, the Committee believes.

As an indication of how the salaried man is getting behind the loan, the committee pointed today to the fact that \$1,000,000 had been subscribed by the employees of the Consolidated Gas Company and this million was taken by 80 per cent. of all the employees on the company's payroll. Then New York University, with 28 per cent. of its student body gone to war, has pledged \$400,000, which is just twice as much as the college raised in the Second Loan.

CORPORAL SCANLON DEAD, DESPATCH SAID, AS SISTER WAS READING HIS LETTER

Immediately after the receipt of a letter filled with good tidings from her brother, Corp. Daniel J. Scanlon of the 155th Infantry (the old 69th New York), Marie Scanlon of No. 2114 La Fontaine Avenue, the Bronx, yesterday received official news of his death in an accident last Sunday.

Scanlon, who was twenty-four years old, joined the colors early last June with his brother Patrick, twenty-two years old. Both boys had worked for the Interborough. Their mother and father lived in Ireland. Two other brothers and a sister lived with them at the Bronx address.

"You will be surprised to hear that we had a real St. Patrick's Day celebration," the letter said. "Of course, Father Duffy was the principal star. We had a real concert. We had singing, an' music, and the bit of the day was a song called 'Of All the Boys in Uniform the Sixty-ninth For Me.'"

"Frequently during the concert we had to duck our head for Fritz's shrapnel and shells were bursting all around us. But that's nothing new. And I must tell you one of the boys had a drum solo played on his tin derby. It was great!"

There will be a memorial service next Tuesday for Corp. Scanlon at the Church of Our Saviour, Father Duffy's church before he left for France.

were announced to-day:
Consolidated Gas Company and employees, \$5,000,000.
Arthur Lipper & Company, \$700,000.

Norake Lloyd Insurance Company, Ltd., of London, \$250,000.
Marine Insurance Company, Ltd., of London, \$250,000.
Norwich Union Fire Insurance Society, \$100,000.
Mechanics & Metals National Bank (for clients), \$95,850.
Henry Lindemeyer & Sons, \$50,000.
Childs Company, \$75,000.
J. Insley Blair, \$25,000.
Walter & Company, \$50,000.

Brooks Brothers, \$50,000.
Chronos Steel Works, \$50,000.
William G. L. Betsch, \$25,000.
Mrs. Willard Straight, \$25,000.
Peter Doelger, Chairman of the Brewers' Committee, notified the Liberty Loan Committee to-day that he has sold more than \$2,000,000 worth of Liberty Bonds and hopes to double the amount before the campaign is over.

"I have redoubled my efforts as chairman of the present Brewers' Committee to have the brewing and allied trades surpass the showing they made in the first liberty loan,"

said Mr. Doelger. "I assure you that my energies will always be devoted to the success of all calls made upon our industry." Mr. Doelger will receive the bronze emblem of the Liberty Loan.

Frank Zotti, publisher of Narodni List (Croatian National Gazette), assured the Liberty Loan Committee today that the men and women of the Croatian race throughout the United States are making better response to the appeal for the Third Liberty Loan than to either of the previous two loans. Many of the Croatians came to this country to escape Austrian oppression.

As a token of their loyalty to the United States the members of the Hurstner Benevolent Association, composed of 150 Jews from Austria, have decided to invest some of their funds, collected for sick and death benefits, in the Third Liberty Loan.

To-night is to be Hungarian Night at Liberty Land—an honor given to the Nationals of a Government with which the United States is at war because of their loyalty and their unremitting efforts to swell the sales of Liberty Bonds among their own people. Former Ambassador Abram I. Etkus, who represented the United States in Turkey until recently, is to be the principal speaker. Among the entertainers will be Florence Macbeth, prima donna of the Chicago Opera Company; William Beck, baritone of the same organization; Michael Levitsky, pianist, and E. Bresskin, violinist.

A thousand members of various Hungarian societies will parade to the Old Sixty-ninth Armory, which houses Liberty Land, and more than a hundred Magyar girls in their native costume will sell bonds.

CUSTOMS MAN FALLS DEAD

Inspector Drops in Midst of Crowd Leaving Ferryboat.

William Dorsey, an inspector in the Intelligence Bureau of the United States Customs Service, died suddenly in Battery Park shortly after 10 o'clock this morning. He worked late last night and this morning he was pushing his way through a crowd from the Staten Island ferries when he fell and fell. Policeman Frank Roth

and several volunteers attempted to aid Dorsey, but he was dead when Dr. Kelly arrived from the Broad Street Hospital. Heart disease was given as the cause.

Dorsey had been in the customs service for fifteen years. He was 40 years old and lived at Stapleton, S. I., with his wife and two children.
